Philips AVENT
Teat

Classic
2 hole Slow Flow
1m+

SCF632/27

Good feeding, good sleeping

Helps settle your baby, especially at night**

With the Philips AVENT Classic teat, your baby controls milk flow, which can help reduce overeating and spit-up.The unique valve opens to allow air into the bottle, promoting healthy, active feeding and reducing fussing** and colic.***

More comfortable feed at baby's chosen pace
- Easy latch on due to the unique valve on the teat

Reduce fussing and discomfort
- Clinically proven to significantly reduce fussing

Air goes into the bottle, not baby's tummy
- Unique anti-colic system

BPA Free (0% Bisphenol A)
- BPA free* teat

Other benefits
- Different flow rate teats available
- Compatible with Classic feeding bottle

PHILIPS
AVENT

Teat
Classic 2 hole Slow Flow, 1m+

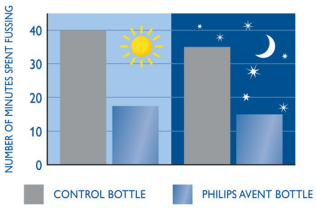
SCF632/27

Highlights

Easy latch on

Unique valve on the nipple flexes to your baby's feeding rhythm. Milk will only flow at the pace chosen by your baby to minimise overeating and spit-up, burping and gas

Helps settle your baby



Sleep and nutrition are vital to your baby's health and happiness. A randomised clinical trial was carried out to see whether infant baby bottle design affects "infant behaviour". The Philips AVENT Classic baby bottle was shown to significantly reduce fussing by approximately 28 minutes a day as compared to the comparator bottle (46 min vs 74 min, p=0.05) This was especially true during the night-time.**

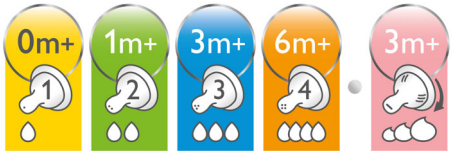
Unique anti-colic valve

As your baby feeds, the unique valve on the teat flexes to allow air into the bottle instead of your baby's tummy.

BPA free*

This teat is made from silicone - a BPA-free* material

Fit your baby's growing needs



The Philips AVENT Classic bottle offers different flow rates to keep up with your baby's growth. Remember that age indications are approximate as babies develop at different rates. All teats are available in twin packs.

Compatible with Classic bottle

We advise to use the Classic nipple with Classic baby bottles only.

Specifications

Country of origin

- England

Material

- Teat: Silicone, BPA free*
